

"KISS OR MAKE UP"

This show takes place in the Manhattan apartment of commercial artist Casey Delevan. Casey is a bright, colorful person in her early twenties, who does the best she can on a shoestring budget. The scene begins when Morgiana Kendrick, a sharp, witty, middle-aged architect who lives across the hall from Casey, goes to Casey's to ask her best friend a "favor"...

It is our sincerest hope that you have enjoyed tonight's performance. A lot of time has been put into it, but more importantly is the time you've taken to attend. Many Thanks! This Spring LHN is putting on OLKAHOMA. So mark your calendars for May 4-7 for a rootin' tootin' good time.

Again, many thanks from the cast and crew!
