A note from the Director:

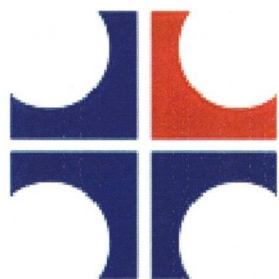

Wow! What a ride it's been! As I sit here, thinking about what it is I wish to convey to you, I wonder, "Words? More words? Are there more words?"

Yes, there are more words, but these are not my own, nor those of Larry Shue. No, the words which have kept us firmly "belted in" during this roller coaster ride of a show are the words of the One True God: "Surely I AM with you always, even to the end of . . . " (the ride?).

Be assured, there have been dips, curves, thrills and spills. A couple of times we thought we might be "derailed," but again, with white knuckles and unbridled enthusiasm, we clung to the promise that we ". . . can do all things through Christ who strengthens us." (and gives us a sense of humor!)

So jump on board and have a laugh with us and at us!

Soli Deo Gloria!
