A Note from the Director:

Scripture tells us that we are both saints and sinners, and tonight's show gives us a picture of both. In the first part of this evening's entertainment, you will see two saintly women whose only desire is to serve...an army it would seem! David Ives gives us a "taste" of what can only be described as a proper sendoff to the hereafter.

After that, you'll witness Twain's humorous approach to the "sinner." Mark Twain never pulled a punch, and tonight is no different. Let's face it; he was able to make fun of people with the best of them. As he so aptly put it, "Get your facts first, then you can distort them as you please!"

Thank you for taking time out of your busy lives to be here tonight. I have been truly blessed by these young people, and I hope you can say the same after the show. Thanks be to God!
