Heather Smith has been teaching, directing and choreographing for over 20 years. She grew up in Pittsburgh where her love for figure skating introduced her to Ballet.

After college, she continued her training in Pittsburgh and New York. A trip to Orlando to visit her college roommate changed her life forever. She had the privilege to work for Disney Entertainment, where she performed various roles throughout Walt Disney World. While living in Orlando she also performed with Central Florida Ballet Company and was the Dance Director for St. Luke's School of the Arts. She also has choreographed with local High Schools in Pittsburgh and Orange County Florida. Since moving to Houston she has been with Second Baptist School of the Performing Arts for the past 11 years, where she is the Company director and Lead teacher.
