

The Pledge Opener

Life in the New Age/Perfect Reflection

The condor sleeps safe in the wild, we can't save an unborn child,
that's life in the new age, life in the new age.
Can't stop drugs, can't stop aids, can't undo the mess we've made,
that's life in the new age, life in the new age.
And children 'round the world will starve while we sit in a seminar,
that's life in the new age, life in the new age.

Light of life, shine on me, take my heart, make it clean.
Lord of all, King of kings, recreate Yourself in me.
I am not yet all I shall be when Your likeness shines out through me.
Like a perfect reflection of you in the heart of me.
A perfect reflection of You is what I want to be.

Mom reads her astrology, the kids are raised by MTV,
that's life in the new age, life in the new age.
God is self, self is God, I can see why you're so odd,
that's life in the new age, life in the new age.
And children 'round the world will starve while we sit in a seminar,
that's life in the new age, life in the new age.

Song of songs, sing through me, fill my soul with harmony.
Lord of all, King of kings, recreate Yourself in me.
I want the world to recognize Your skillful hand here in my life.
Like a perfect reflection of You in the heart of me.
A perfect reflection of You is what I want to be.

Make my life a portrait, like a work of art,
a living revelation of Your heart.
Like a perfect reflection of You in the heart of me,
A Perfect reflection of You is what I want to be.
Life in the new age, life in the new age.

Destined to Win

This song's to all the people with light in their hearts and love in their eyes.
You don't have to worry when the mountains seem of infinite size.
There is One who goes before you to calm the sea.
There is One who leads His people to victory.

We are destined to win, we're surrounded by His love and guarded by His power.
Destined to win, following the Lord until the battle's over.
We are destined to win.

We all get discouraged when the pressures of life start weighing us down.
We've learned that in His footsteps, crosses in life must precede the crowns.
There is One who goes before you to calm the sea.
There is One who leads His people to victory.

We are destined to win, we're surrounded by His love and guarded by His power.
Destined to win, following the Lord until the battle's over.
We are destined to win.

We've got to remember it's our destiny to win in the end.
With Christ on our side, we are destined to win.

We are destined to win, we're surrounded by His love and guarded by His power.
Destined to win, following the Lord until the battle's over.
We are destined to win.

Ready or Not

If you're not livin' like you should be livin'
you'd better give it all that you've got.
'Cause when you hear the trumpet sound
you're already off the ground, ready or not.
If your diary isn't what it should be
you'd better rearrange the plot.
'Cause in the twinkling of an eye
there'll be Jesus in the sky, ready or not.
Time has come to change from cold to hot.
By the time you see Him there, you'll be flyin' through the air,
Ready or not.

So if you're waitin' for just the right occasion
you'd better give the final shot.
You got no time left to lose,
turn to God or sing the blues, ready or not.
If you're not livin' like you should be livin'
you'd better give it all that you've got.
In the twinkling of an eye
there'll be Jesus in the sky, ready or not.
Time has come to change from cold to hot.
By the time you see him there, you'll be flyin' through the air.
Ready or not.

Right on Track

I can feel it tuggin',
This world, it tries to slow me down.
In this race I'm runnin',
I won't give up one inch of ground.

Headed for the future, I leave behind the past,
Walkin' with my Saviour, I know I'm free at last.

Right on track.
Pressin' forward, won't look back.
Right on track.
With my eyes on Jesus, I'm right on track.

I can see the finish,
I will not stop before it's done.
It's not enough to enter,
I've got to cross the finish line.

Even though I stumble, the Lord will watch my pace.
Lookin' up to Jesus, I know I'll win this race.

Right on track.
Pressin' forward, won't look back.
Right on track.
With my eyes on Jesus, I'm right on track.

If God Is For Us (Who Can Be Against Us)

If you're weary, don't lose hope in fighting the good fight.
Just remember, God is with you through your darkest night.
In the heat of battle, keep your head up high.
God is marching with us, He's always at our side.

If God is for us, who can be against us?
No pow'r on earth can take His love away.
If God is for us, who can be against us?
We can live in victory today.

When you worry, when you feel like the world is cavin' in,
He is stronger than our weakness, faithful to the end.
Like the Master taught us, there's life beyond the cross,
Even though we're weary, our battle won't be lost.

If God is for us, who can be against us?
No pow'r on earth can take His love away.
If God is for us, who can be against us?
We can live in victory today.

The Pledge

It's a world of choices patterned to confuse.
Distracting little voices whisper what to do.
Searching for the pieces, one step from the edge.
Turn your heart t'ward Jesus, take this solemn pledge.

He died for me, I'll live for Him.

Above all lords and regents, He is King of kings.
I'm pledging my allegiance, through these words I sing.
Take this oath of service, write it on your wall.
It's our only purpose for living life at all.

He died for me, I'll live for Him.

Hand in Hand

When you look out of your window late at night,
Whisper a prayer for the friends you've made in life.
Do you remember the ones that helped you make it through?
Are you ready to lend a hand when others need you, too?

Hand in hand, we walk together,
Hand in hand, we'll serve the Lord forever, hand in hand.

Our only treasures that won't rust or fade
Are friendships that stand on love given away.
So love one another and love the Lord with all your heart,
'Cause that's the way that friendships last
And the place that we should start.

Hand in hand, we walk together.
Hand in hand, we'll serve the Lord forever, hand in hand.

I'm Accepted

I may not be rich, don't wear fashion clothes.
Don't live in a mansion, don't have much that shows.
Never won a contest in popularity.
Don't have much to offer, but Jesus still loves me.
I'm accepted by the One who matters most.

Never set a record in sports agility.
Never was magnetic in personality.
That don't really matter. I'll do the best I can.
'Cause there's a God above me who loves me like I am.
I'm accepted by the One who matters most.

If you think you're a loser,
When you fail, it seems, in everything you do.
Just remember there's a Saviour, and you are worth enough,
He gave His life for you.
I'm accepted by the One who matters most.

No pow'r on earth can take His love away.
If God is for us, who can be against us?
We can live in victory today.

When you worry, when you feel like the world is cavin' in,
He is stronger than our weakness, faithful to the end.
