

LUTHERAN HIGH NORTH

LUTHERAN HIGH NORTH graduates its first class this spring. We are proud of our accomplishments in our short three-year history. While providing quality academic preparation for college or the job market, LUTHERAN HIGH NORTH adds a strong religious dimension to our students' lives. Students have the opportunity to play together, study together --- God loves us one and all --- How great it is to attend school where every student experiences the richness of God's love and has the opportunity to share that love with one another. LUTHERAN HIGH NORTH enables students to grow in God's love academically, spiritually, physically, and socially.
