Basketball – 9,10,11,12

Plans: North Harris Community College, then University of Houston

*Congratulations Graduates
and
God's Blessings*

Although individual scholarship amounts cannot be published, scholarships offered to the graduates of 2001 total over \$600,000. This includes many of the scholarships being renewable for four or five years. Some offers, however, will not be accepted because some students have received scholarships from more than one college or university.
