Plans to Attend: Lone Star College

Career/Major: Engineering

The graduates of the class of 2010 (together)
have been offered scholarships in the value
of approximately \$5,325,000.

The scholarship offers Matthew Manriquez received by his admittance to
two United States military academies and the recognition of
scholarships offered because of his National Hispanic Scholar Award
contributed approximately \$4,000,000 to the class total.

This includes the value of renewable scholarships.

Some of this scholarship money will not be accepted
because some students have been offered scholarships
from more than one college or university.

*Congratulations
to all of our
graduates*

God's Blessings
