The graduates of the class of 2022 (together) have been offered scholarships which total in value over \$2,702,000.

This includes the value of renewable scholarships.

Some of this scholarship money will not be accepted because students have been offered scholarships from more than one college or university.

*Congratulations
and
God 's Blessings
to our Graduates*

*These have come so that the proven genuineness
of your faith – of greater worth than gold,
which perishes even though refined by fire –
may result in praise, glory and honor
when Jesus Christ is revealed.*
