SYNOPSIS

It is the first day of school at Rydell High School. Danny Zuko is reunited with his friends, and he tells them about a girl he met over the summer at the beach. Meanwhile, Sandy Dumbrowski, who is new to Rydell High, tells her new girl friends (the Pink Ladies) about a boy *she* met at the same beach. The two stories come together in **SUMMER NIGHTS**.

Immediately after, Danny sees Sandy but snubs her in order to be cool to his friends. With hurt feelings, she runs off.

Marty enters, ecstatic about a letter and several gifts she has received from her boyfriend, who is a Marine. Her pals in the Pink Ladies join her as she sings of her new love in **FREDDIE, MY LOVE**.

Back at home that evening, disappointed that Danny appears to no longer care for her, Sandy expresses her undying affection in **HOPELESSLY DEVOTED TO YOU**.

The next day, the whole gang is hanging out at a neighborhood park. Rizzo taunts Danny and the other guys by making fun of Sandy in **LOOK AT ME, I'M SANDRA DEE**.

Frenchie, who is in beauty school, has managed to give Sandy a makeover. She presents the new Sandy to the whole gang. The entire crew celebrates in **WE GO TOGETHER**.
